### i

## DESCRIPTION

Champion's 4200-PSI gas pressure washer with 15.1 LPM features five nozzles, 33cm pneumatic tires, a 15.2m high pressure hose, comfort grip gun and a triplex pump for consistent cleaning. Powered by a 389cc Champion engine, this unit pairs powerful cleaning performance in a practical design.

It is a perfect, hassle-free solution for cleaning patios, decks, outdoor furniture, siding, fences, driveways, cars, trucks, boats, RVs, farm equipment and more.

The rugged wheelbarrow design with rugged pneumatic tires makes the pressure washer easy to manoeuvre and transport over a variety of rough terrains.
