### DESCRIPTION

**Champion's Parallel Kits increases your power by connecting two ParaLINK ready inverters.**

These kits are perfect for when you want the flexibility of using a lightweight on the go inverter to power a few appliances but also want the capability to connect two lightweight and ultra-quiet inverters to get the power of a larger unit when you need it.

Specifically designed to connect two ParaLINK ready Champion inverters, these innovative Parallel Kits quickly and seamlessly integrates the two and attaches with no tools necessary.
